# AUDITORS' REPORT

February 27, 1937.

This is to certify that we have examined the books of the Town Treasurer and a condensed statement of the results is as follows:

| | |
|---|---|
| Balance on hand February 1, 1936 | $ 7,496.44 |
| Received from all sources | 60,402.90 |
| Total | $67,899.34 |
| Paid on Selectmen's orders | 62,674.46 |
| Balance on hand January 31, 1937 | $ 5,224.88 |

We also certify that we have examined the books of the Selectmen and the accounts of the Town Clerk and the Tax Collector and have found them correct with the following exceptions:

The dog license receipts were actually $210.63 instead of $211.63 and the auto permit receipts were actually $2,395.53 instead of $2,405.02 as reported by the Town Clerk. The Town Clerk paid to the Treasurer a total of $2,796.65 instead of $2,786.16. Thus he has overpaid the Town Treasurer $10.49.

To the Town of Durham:

A total of 5,329 volumes were added to the combined library collection during the year. According to existing records this is the largest number added in a single year in the history of the library. This figure includes 115 books purchased from the Durham Library Association funds and 155 from funds appropriated by the town for its public library. The major portion of the town funds were expended for juvenile books, as has been the policy during the past few years. Durham Library Association funds were used largely for the purchase of the lighter type of fiction. The total library collection, University, D.L.A., and D.P.L., is 88,924 accessioned volumes.

A total circulation of 47,448 volumes was recorded during the year for books taken for use outside the building. This includes a circulation of 3,491 for juvenile books. It is believed that the new location for the school will be reflected in a further increase of use of library books by children.

# REPORT OF THE CEMETERY COMMITTEE

During the year 1936 three improvement projects in the Cemetery were completed: (1) Widening and regrading surface of the roads; (2) Completion of the stone wall along the front side; (3) Removal of ledge from Lot 48, Sec. F. Fourteen Norway maple trees which had died were also replaced.

Five new lots were sold to the following parties:

Coe Cemetery Association; Mrs. M. H. Lewis; P. I. Fitts and Anna E. Marden; Estate of Delena M. Claggett and W. F. Glavin.

Four interments were made as follows: Edward M. Lewis, William E. Marden, Delena M. Claggett and Myrtle L. Glavin. The Coe Cemetery Association also removed the stones and bodies from the old family burying ground on the Coe farm to a new lot in the cemetery.

The Committee submits the following financial statements:

RECEIPTS

| | |
|---|---|
| Balance, from 1935 | $ 112.99 |
| Coe Cemetery Assoc., Lot No. 41 Sec. E. | 150.00 |
| Mrs. M. H. Lewis, Lot No. 34, Sec. E. | 150.00 |
| P. I. Fitts and Mrs. Anna E. Marden, Lot No. 36, Sec. E. | 150.00 |
| Estate of Delena M. Claggett, Lot No. 1, Sec. E. | 100.00 |
| W. F. Glavin, Lot No. 35, Sec. E., Part Payment | 50.00 |
| F. D. Jackson, Lot No. 68, Sec. E., balance due | 50.00 |
| Tasker & Chesley, opening grave | 8.00 |
| Strafford Savings Bank, interest | 50.51 |
| Total | $ 821.50 |

## Expenditures

| | | |
|---|---|---|
| E. J. York, cement | $ | 17.53 |
| Arthur Teeri, labor on wall | | 41.25 |
| R. Niemi, labor on wall | | 30.00 |
| Granite State Nurseries, 14 trees | | 32.50 |
| Jenness Hardware Co., lawn mower | | 16.00 |
| W. S. Rand, grass shears | | .75 |
| Univ. of N. H., fertilizer | | 1.50 |
| Hamburg Floral Mfg. Co., canvas covers | | 20.83 |
| Freight and express | | 1.78 |
| Strafford Bank, lock box rental | | 2.50 |
| Town of Durham, trucks and labor | | 43.60 |
| Sam Taylor, care of lots | | 9.60 |
| Edward LeBlanc, labor, roads and lots | | 84.40 |
| Strafford Savings Bank, deposit | | 519.26 |
| Total | $ | 821.50 |

Since the stone wall has been completed and the surface of the roads regraded, no special improvements in the cemetery are contemplated for the coming year. Four or five of the maple tress will have to be replaced and several new lots will be kept mowed.

As reported a year ago the Durham Cemetery is now practically on a self-supporting basis. The amount of our invested funds increased $413.27 last year and now totals $2,390.04. For this reason no appropriation from the town is requested for the coming year.

# REPORT OF THE FOREST FIRE WARDEN

Ten (10) fires occurred covering about ten acres. All were due to carelessness of someone. Seven of them occurred in the early spring when the urge is so strong and when the danger is great because the snow has melted and the green grass and foliage has not yet had a chance to come up. Attention is, therefore, again called to the law requiring permits for clean-up fires when there is no snow on the ground and smokers are asked to be very careful with their matches and lighted cigarettes during the dangerous fire periods.

# ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

## 1935 - 1936

---

To the School Board and Citizens of Durham:

I take pleasure in presenting my eighth annual report. When I wrote my report a year ago we expected to enter the new school in September 1936, but since Durham seems to be founded upon a rock we were not able to make good our promise. We did, however, start school in September with an organization which needed little change when we finally did move in to begin work on January fourth. Miss Marjorie Whytock, a graduate of Keene Teachers' College, with ten years' experience in the schools of Stratham and Greenland, was secured for Grade Two. Miss Dorothy Chamberlaine was transferred to Grade Five from Grade Two. These were the only changes in our teaching personnel, with the exception of cadets. The Manual Training is still carried on at the College Shops under Professor Batchelder's supervision. The departmental system has been extended to take in Grade Six and the Junior High School is now taught as follows: Principal Guy Clark teaches Mathematics for Grades 6, 7, and 8 Science for Grades 7 and 8 and B and C subjects (B and C subjects, so called, include Music and Drawing when not taught by special teachers, Assembly, Physiology and Health Habits). Miss Mitchell teaches History to Grades 6 and 8, Commercial Geography to Grades 7 and 8 and the rest of the Sixth grade subjects. Mrs. Maxam teaches English and Spelling to Grades 6, 7, and 8. Miss Rachel Carron, Cadet, teaches French to Grades 7 and 8. Mrs. Dorothy Wilcox teaches Practical Arts to the girls of Grade 7 and 8, assisted by Miss Martha

Thayer, Cadet. Mrs. Wilcox also serves as substitute teacher throughout the system.

This year no federal funds are available for free milk distribution but the Knights of Pythias is supplying eight bottles per day. Many of the parents are purchasing milk as in the past. At present it is being furnished by Hayden's Dairy Company of Dover, but the University will provide it after February first. It is pasteurized and chocolate milk furnished at the same price as whole "white" milk, 3c per half pint bottle.

The report of the Nurse accompanies my report. The Sons of the American Revolution did not furnish Good Citizenship medals last June, so none were awarded. The Parent-Teacher Association could encourage Citizenship and Scholarship by providing trips during the summer, or at other times, to historical sites or museums. Encouragement of this nature is of more value than medals or prizes.

When the playground at the new school has been graded the playground apparatus will be moved from the old site and I hope that more apparatus can be added. Whatever equipment could be used from the old building was moved into the new. Some money will have to be spent for new furniture to satisfactorily equip the new school. Some things are need immediately. For the first time our enrollment, as you will see from statistics, exceeds two hundred, including Packer's Fall School. Mr. Wilson continues to teach music and Miss Roy teaches Art. Both teachers make weekly visits to the village and every fortnight to Packer's Falls, where the school consists of twenty-one pupils in the first six grades. Mrs. Elsie Fisher continues as their very efficient teacher. The operetta "Paganini" was successfully given last spring by the village school. Probably no operetta will be given this year but some other musical program may be arranged.

The testing program this year consists of the use of the Detroit First Grade Intelligence Test in Grade One. The Otis Group Intelligence Test in Grades 5, 6, 7, and 8 and

the Metropolitan Achievement Tests in Grades 4, 5, 6, 7 and 8. These latter tests cover the "fundamentals" so-called and are well standardized. We are now working on them and complete returns are not available at this time. It appears, however, that the schools will maintain satisfactory standards.

The Building Committee and the School Board have given freely of their time and effort to bring to completion a fine modern school building, planned for service for many years to come. The Parent-Teacher Association has encouraged their efforts and is ever ready to be of assistance, as it was when we moved into the new building. We here publically express our appreciation to those persons who loaned their trucks and gave their services when the moving was done. I, personally, commend Principal Clark and the teachers who assisted so ably during the Christmas vacation in settling the rooms. The opening was done without break or friction. The schools enjoyed a delightful Christmas party in the new play room at the close of the fall term. The past year has been a busy one for all concerned with the construction of the new building, but everyone is glad to have had a part in the undertaking.

I appreciate the continued support and cooperation of School Board and Teachers.

Respectfully submitted,

HOWARD L. WINSLOW,

*Supt. of Schools.*
